DMZ World Fund is a decentralized NGO to:

- 1.preserve Earth
- 2.support victims of war
- 3.create a worldwide demilitarized zone

DWF will issue grants to worthy NGOs who encourage the preservation of the Earth's precious resources, NGOs that help the victims of war and NGOs that work to foster world federation and cooperation.

Benefits of investing in **DMZ** ICO:

- a short, easy to remember name for the general population
- two short domain names: <https://getDMZ.com>
- & <https://DMZ.world>
- a logo that incorporates a satellite image of the Earth with a hexagonal shape with the name in the center
- a large potential customer base in S. Korea because of the **DMZ** between North and South
- a large potential customer base of tech people because of the term **DMZ** being used in network security
- a built in scarcity distribution model to encourage a community to treat **DMZ** tokens as rare and valuable
- **DMZ** is an ERC-20 token based on the Ethereum blockchain which is maintained by the community
- any ERC-20 utility token can be listed on <https://EtherDelta.com>
